French AZERTY (France) keyboard layout

AZERTY (France)

Q Shift Key AltGr

The large character is typed by the key alone. Hold **Shift** for the one at top right. Hold **AltGr** (the right Alt key; Ctrl+Alt also works) for the one at bottom right. The small grey letter is the English key it sits on.

The AZERTY keyboard used in France: é, è, à, ç and ù have their own keys on the top row and next to M, the digits need Shift, and ^ and ¨ are dead keys right of P.

Best for: People who learned to type in France or have a French AZERTY keyboard.
