German QWERTZ (Switzerland) keyboard layout

QWERTZ (Schweiz)

Q Shift
Key

The large character is typed by the key alone. Hold **Shift** for the one at top right. Hold **AltGr** (the right Alt key; Ctrl+Alt also works) for the one at bottom right.

The Swiss German keyboard: QWERTZ like Germany's, with ö, ä and ü on their own keys and é, à and è a Shift away on the same keys. Swiss German writes ss, not ß, so there is no ß key.
