Irish Irish keyboard layout

Gaeilge

The large character is typed by the key alone. Hold **Shift** for the one at top right. Hold **AltGr** (the right Alt key; Ctrl+Alt also works) for the one at bottom right, and Shift+AltGr for bottom left. The small grey letter is the English key it sits on.

The Irish keyboard, laid out like a UK one. AltGr plus a vowel types the fada, and AltGr+' is a dead key for it too.

Best for: People in Ireland, or anyone with an Irish or UK keyboard.
