Italian Italian keyboard layout

Italiana

The large character is typed by the key alone. Hold **Shift** for the one at top right. Hold **AltGr** (the right Alt key; Ctrl+Alt also works) for the one at bottom right, and Shift+AltGr for bottom left. The small grey letter is the English key it sits on.

The Italian keyboard: ò, à and ù sit right of L, è and ì on the top row, and é is Shift+è. It has no capital accented letters: use the letter bar for È or À.

Best for: People who learned to type in Italy or have an Italian keyboard.
