Kashmiri Phonetic keyboard layout

صوتی

Q	Shift
Key	
Shift+AltGr	AltGr

The large character is typed by the key alone. Hold **Shift** for the one at top right. Hold **AltGr** (the right Alt key; Ctrl+Alt also works) for the one at bottom right, and Shift+AltGr for bottom left. The small grey letter is the English key it sits on.

A phonetic layout from SIL. Letters sit on English keys that sound alike, and the Kashmiri vowels have keys of their own: أ on the minus key, ۄ on V, ۍ on Shift+Y.

Best for: Kashmiri writers who know the English or Urdu phonetic keyboard.
