Khowar Khowar Phonetic keyboard layout

کھوار فونیٹک

Q Shift

Key

The large character is typed by the key alone. Hold **Shift** for the one at top right. The small grey letter is the English key it sits on.

SIL's phonetic layout for Khowar. Keys follow the sound of the English letter, with Khowar's letters on Shift: چ Shift+F, ش Shift+[, ڑ Shift+] and ج Shift+L.

Best for: Writers who learnt SIL's layout, or who want the Khowar letters beside the letter they sound like.
