Maithili InScript keyboard layout

इनस्क्रिप्ट

Q	Shift
Key	
Shift+AltGr	AltGr

The large character is typed by the key alone. Hold **Shift** for the one at top right. Hold **AltGr** (the right Alt key; Ctrl+Alt also works) for the one at bottom right, and Shift+AltGr for bottom left. The small grey letter is the English key it sits on.

Devanagari InScript, the Government of India standard built into Windows, macOS and Android. Vowel signs are on the left of the keyboard and consonants on the right.

Best for: Office typists in Bihar and Nepal, and anyone who already types Hindi on InScript: the keys are the same.
