Saraiki Phonetic keyboard layout

Q Shift

Key

AltGr

The large character is typed by the key alone. Hold **Shift** for the one at top right. Hold **AltGr** (the right Alt key; Ctrl+Alt also works) for the one at bottom right. The small grey letter is the English key it sits on.

A phonetic layout by Parvez Qadir. Letters sit on English keys that sound alike, and the Saraiki implosives are on Shift of the related letter: ب on B, ج on J, ڈ on F, گ on Q.

Best for: Saraiki writers who know the English or Urdu phonetic keyboard.
