Punjabi (Shahmukhi) Phonetic keyboard layout

صوتی

The large character is typed by the key alone. Hold **Shift** for the one at top right. Hold **AltGr** (the right Alt key; Ctrl+Alt also works) for the one at bottom right, and Shift+AltGr for bottom left. The small grey letter is the English key it sits on.

Letters sit on English keys that sound alike, as on Urdu phonetic keyboards. Shift+N types ں and Shift+L types ڵ, the letters Punjabi adds to Urdu.

Best for: Punjabi speakers who already type Urdu or English and want Shahmukhi right away.
