Shina Rachitrali Shina keyboard layout

شینا

Q Shift
Key
AltGr

The large character is typed by the key alone. Hold **Shift** for the one at top right. Hold **AltGr** (the right Alt key; Ctrl+Alt also works) for the one at bottom right. The small grey letter is the English key it sits on.

The Rachitrali keyboard for Shina, by the linguist Rehmat Aziz Chitrali. Most keys follow the sound of the English letter, as on Urdu phonetic keyboards. Shina's own letters have keys: چ left of 1, خ and ڑ on [and], ش on \ and ں on U.

Best for: Shina writers in Gilgit-Baltistan and beyond who know the English keyboard.
