Sindhi Phonetic keyboard layout

Q Shift
Key
AltGr

The large character is typed by the key alone. Hold **Shift** for the one at top right. Hold **AltGr** (the right Alt key; Ctrl+Alt also works) for the one at bottom right. The small grey letter is the English key it sits on.

Letters sit on English keys that sound alike: s for س, k for ڪ, b for ب. The extra Sindhi letters are on Shift and on the punctuation keys. Based on the open Rachitrali-Sindhi keyboard, adjusted for standard Sindhi spelling.

Best for: People who know the English keyboard and want all 52 Sindhi letters without learning a new layout.
