Swedish Swedish keyboard layout

Svenska

Q Shift Key AltGr

The large character is typed by the key alone. Hold **Shift** for the one at top right. Hold **AltGr** (the right Alt key; Ctrl+Alt also works) for the one at bottom right. The small grey letter is the English key it sits on.

The Swedish keyboard, shared with Finland: QWERTY with å right of P, and ö and ä right of L. The accent keys ´ and ¨ are dead keys for é and ü, and @ is AltGr+2.

Best for: People in Sweden and Finland, or anyone with a Swedish keyboard.
