Syriac Standard keyboard layout

Q Shift

Key

AltGr

The large character is typed by the key alone. Hold **Shift** for the one at top right. Hold **AltGr** (the right Alt key; Ctrl+Alt also works) for the one at bottom right. The small grey letter is the English key it sits on.

Windows Syriac, arranged like the Arabic keyboard: ܐ on A, ܒ on S, ܕ on D, ܓ on F, ܠ on G, ܝ on H. The vowel points are on Shift.

Best for: People who type Arabic and know its keyboard.
