Tajik Standard keyboard layout

Стандартӣ

Q Shift
Key

The large character is typed by the key alone. Hold **Shift** for the one at top right. The small grey letter is the English key it sits on.

Windows Tajik. қ is on W, ҳ on O, ҷ on S, ӣ on M, ғ on the minus key and ӯ on the equals key.

Best for: Anyone who types Tajik on Windows and wants the same keys here.
