Tamil InScript keyboard layout

இன்ஸ்கிரிப்ட்

The large character is typed by the key alone. Hold **Shift** for the one at top right. Hold **AltGr** (the right Alt key; Ctrl+Alt also works) for the one at bottom right, and Shift+AltGr for bottom left. The small grey letter is the English key it sits on.

InScript for Tamil, the Government of India standard built into Windows, macOS and Android. Vowel signs are on the left of the keyboard and consonants on the right.

Best for: Typists who learnt InScript, and anyone who types Hindi or another Indian script on it: the keys are in the same places.
